## THE ANIME TWIN CITIES PRESIDENT

Welcome to Anime Detour 2024: Glow Up!

This year’s theme invites us to reflect on our growth, as individual fans and also as an ever-expanding and changing community. It’s a celebration of transformation, self-discovery, and the evolution of our shared interests. Anime Detour is also celebrating two decades! It’s truly astonishing to see how far we’ve come; from our humble beginnings to one of the largest and longest-running events in the anime fandom!

Over the years, Anime Twin Cities, Inc. has been the proud parent of Anime Detour, and a catalyst for positive change beyond conventions, having organized events like the Cosplay Picnic, Akihabara Swap Meet, and others. We continue to participate in various charitable initiatives as a 501(c)(3) nonprofit. Our mission is to conduct educational, charitable, and social activities by promoting and educating about Japanese culture.

Your Anime Detour 2024 membership is more than a ticket to the event; it contributes to the thriving ecosystem of Anime Twin Cities Inc. and a whole world of anime enthusiasts.

Please reach out to [atcboard@animetwincities.org](mailto:atcboard@animetwincities.org) or connect with us on our social media pages with questions and feedback, or if you want to be more involved. Your thoughts and participation are invaluable to us.

## ACCESSIBILITY POLICIES

Anime Detour aims to make this convention an enjoyable experience for all.

Please stop by our Accessibility Desk (marked on the map) to obtain your wristband and learn more about our accessibility policies, and the accommodations we offer. We understand that all disabilities are unique and personal to each individual, so if you need a specific accommodation that we don’t already offer, please come by the desk and discuss it with us. We are here to help!

In addition to our Accessibility Desk, we will also be utilizing the Safety Hotline for you to text with any emergent questions and concerns relating to accessibility. Safety staffers will facilitate by informing accessibility staffers of your needs and location. For non-emergent texts and concerns, we ask that you come to our desk during open hours.

**Quiet Room:** There is a quiet room available to attendees that is sponsored by the Autism Society of Minnesota (AuSM). The Quiet Room is a good place to collect your thoughts and recover from sensory overload. There will be various sensory items in the room for you to use during your time there. In order to be respectful to those using the Quiet Room, please keep the noise level down outside the room.

**Animals:** While we all love our animals, the convention space during Anime Detour is a no-pet zone. Service Dogs, however, are allowed in all convention spaces.

As stated in the ADA (Americans with Disabilities Act), a service animal is a dog that has been individually trained to do work or perform tasks for an individual with a disability. The task(s) performed by the dog must be directly related to the person’s disability.

Emotional Support Animals (ESA) are not covered under the ADA.

**VIDEO GAME ROOM RULES**

1. **Take care of your own stuff.** As cool as your stuff is, we are too busy entertaining everyone to admire it (except in brief spurts). Plus, we are all gamers with short attention spans! So please keep an eye on your stuff as we can’t be responsible for it. Thanks.
2. **Take care of others’ stuff.** All games and consoles are on loan from staff and attendees. If you break their stuff, they won’t want to bring it back. We want them to bring it back. Please be nice to the stuff that is not yours. (Plus, be nice to the staff and other attendees. We want them back too!)
3. **Clean up after yourself.** If you set up a table a certain way, bring gaming materials, or rearrange anything, please put it back the way it was when you arrived once you’re done.
4. **Food and Beverages** - Please refrain from setting beverages and food items on any arcade machines or gaming spaces. If consuming alcohol, please drink responsibly. These items may be consumed in the designated spaces in the room.
5. **Please no adult language during the hours of 7:00am - 10:00pm.**
6. **Parental supervision required for children under 13** in Video Gaming at all times. After 10:00pm Video Gaming will be 18+. ID and badge will be checked upon entry.
