FROM THE DESK OF...

THE ANIME DETOUR CHAIRMAN

Welcome back and Welcome to Anime Detour 2022!

All of us here at Anime Detour are excited to resume gathering! We are once again able to celebrate this community with our friends and families.

Thank you to all of you for your continued support of Anime Detour the past two years. Thank you to everyone who attended our virtual event in 2021.

I want to also express my most sincere and heartfelt thank you to each and every staff member. Their tireless efforts all year to create this event have been simply amazing. It truly is a labor of love! Please enjoy all we have to offer you this year!

We are tremendously proud to welcome many first-time guests of honor to Anime Detour. Our tabletop gaming area has doubled in size. We have a guest photographer, DJ guests and a burlesque show!

This year, Anime Detour is finally able to celebrate old school. That youthful feeling of excitement, returning to a place filled with fun, laughter and friends. We feel that way here at Anime Detour each year.

We also wanted to acknowledge our own personal journeys through anime. What was your first anime? What does old school mean to you? What draws you to the art form? And while the answers may be different for everyone, each year we come together to celebrate this art form, these friendships, this community and this wonderful event here at Anime Detour.

I want to thank all of you personally for joining us at Anime Detour this year.

I am always interested in your suggestions and feedback. Please join me in the Chairman's Chat panel; consult your guide book for time and location.

And please remember...

Always Take the Detour!

THE ANIME TWIN CITIES PRESIDENT

Welcome back!

Anime Detour 2022: Old School 3.0 We Can Redo! is such an apt theme, following the unprecedented last couple of years. As we look back on the past of anime and manga and what it has created the opportunity for, we can look back on our history and be proud of what we, all together have created, are creating, and will create. Anime Twin Cities, Inc was created as the 501(c)3 corporation that allowed Anime Detour to begin, and it has upheld its duty to be the parent of Anime Detour through the best of times, and the worse times. Anime Twin Cities, Inc is an organization whose primary focus is to provide a welcoming atmosphere to those who enjoy Japanese audio and visual culture, and the many other cultures it has inspired.

When you bought a membership to attend Anime Detour 2022 (or a previous one that you have rolled over), you also became a member of Anime Twin Cities, Inc. By joining ATC, you help us not only support Anime Detour, but you have also helped us to support the Twin Cities community of anime and manga fans, and when it is financially feasible, you have also helped support a great number of charities, including the National Alliance of Mental Illness – Minnesota, Japanese Gardens, fan works preservation, library manga collections, and related organizations.

Now that we have weathered the storm, and we can get back to our gatherings where we can meet as friends and enthusiasts, it is appropriate that we will look back at our interest's history. We invite you to come and remember the past and look forward to the future.

If you have more questions, please feel free to drop by the Anime Twin Cities Inc panel which you can find in your program book.

With excitement and regards,
David K Vetrovec
President

These are paid signings. This means that the attendees must pay the guest for each autograph or item. You cannot use the (1) item autographed for free per guest during these sessions.
