FROM THE DESK OF...

THE ANIME DETOUR CHAIRMAN

Welcome to Anime Detour 2023: **Detour to the Dark Side!**

Anime Detour has reached a very special milestone. This year, we proudly celebrate our 20th anniversary! Anime Detour's first event was held in 2004.

Whether you are returning to Anime Detour or whether this is your first time joining us, thank you! Thank you for helping us to reach this milestone and for joining us in celebration!

Anime Detour also wants to express our tremendous gratitude to all of our partners and sponsors!

Anime Detour's mission has always been to provide a safe and inclusive space for the community to gather and celebrate. This year, let's celebrate the villains we all love, whether we are cheering for them or rooting against them!

In addition to celebrating our 20th anniversary this year, we are celebrating so many other things.

We are celebrating the idea that started it all. We celebrate the history of Anime Detour. We marvel at where it all started and all that we have built for generations to come. We celebrate everyone that has ever attended and made friends or laughed in our halls.

We celebrate all of our guests of honor. We celebrate the staff that helped us get here.

Most of all, we celebrate you. Without you, there is no Anime Detour. Your energy, enthusiasm, and feedback all these years has kept all of us excited and motivated to continue to build and grow Anime Detour.

We have so many new things for you to see and do this weekend, our staff has once again outdone themselves all year. We have a Drag Show and Burlesque is back! We have ACME joining us and so many new guests of honor for you to meet! We have some amazing DJs on hand this year and KPOP Battles!

I know they say the Dark Side has cookies, but so do the Girl Scouts and you can find them in our Exhibit Hall!

I cannot say enough about our amazing staff. Thank you to each and every staff member for all they have done this year. I also want to take a brief moment to recognize my fellow chairs, they have met every challenge this year and have gone above and beyond, thank you.

Please take a moment to let them also welcome you to Anime Detour below.

We always want to hear your suggestions and feedback. Please join myself and my fellow chairs in the Chairman's Chat panel; consult your guide book for time and location.

And please remember...

Always Take the Detour!

FROM THE DESKS OF...

THE ANIME DETOUR VICE CHAIRS

I would like to express my heartfelt gratitude for your presence at Anime Detour 2023. It is an absolute pleasure to host you all, and I'm glad that you are able to join us for this celebration of anime and all its related fandoms.

Your passion and enthusiasm for anime are truly inspiring, and I'm always impressed by the dedication and creativity that is on display throughout the convention. From the incredible cosplays to the fascinating panels and discussions, Anime Detour truly is a testament to the thriving and diverse community of anime fans.

I hope that you enjoy the convention as much as I do, and that you are able to make new friends, discover new interests, and deepen your love for anime. I would also like to thank all of the special guests, vendors, and volunteers who help make this event a success.

Once again, thank you for coming, and please, enjoy Anime Detour 2023: Detour to the Dark Side.

-Vice Chairman Matt

THE ANIME DETOUR VICE CHAIRS CONTINUED

Anime Detour is upon us. Welcome to Anime Detour 2023: Detour to the Dark Side!

I just wanted to share with you all my love and gratitude. As a college student attending the University of Minnesota - Duluth, AD was the first anime con I attended in Minnesota. I have met so many incredible people through this organization and made lifelong friendships. I knew when I attended my first Detour someday that I wanted to staff. I dreamed of being a Convention Chair someday along with my other Vice Chair, Brittany. Now 10 years later I am here with this wonderful crew and Brittany to make the magic happen for all of you.

I know the theme this year is Villains but I wanted to share with you a quote from my favorite anime Tengen Toppa Gurren Lagann "Don't believe in the you that believes in me and don't believe in the me that believes in you. Believe in the you that believes in yourself." - Kamina

Thank you all for your support and I hope you have the best detour yet.

- Kristen L

Welcome back, I am so glad you were able to "Take the Detour" to this eccentric anime fan event! Being a fan doesn't always mean buying the latest content, watching every stream, or attending every event...sometimes it means holding the feelings you have for something carefully, reserving space for it when other interests come up, and greeting it like an old friend when you have time, energy, and ability to engage with it again. That's how I feel about Anime Detour; I wasn't here the first year, or even EVERY year since I started attending, but in my heart, I have been and always will be a fan. So much-so that I was finally able to contribute, join the amazing Staff of this amazing event, and to be a part of its future! Thank you for attending with me THIS year, or any years past, and any future years you intend to join! I will always try to see you here. Tadaima!

- Brittany H

Welcome everyone! I am so excited to share my first Anime Detour, and my first time in Minnesota, with you all!

I've spent my entire life in Wisconsin, but when I was a college student at UW-Stevens Point, I started staffing Daisho Con and fell in love with the community and environment. Now I'm working for Anime Milwaukee, Anime Central, and I'm so happy to have added Anime Detour to my roster. I'm a huge video game nerd, but have seen a good few anime that I absolutely obsess over. On a personal note, as part of the LGBTQ+ community, I love being a source of support for anyone who wants or needs it.

I hope to meet as many of you as I can during Con weekend! A word of advice, though, I will talk your ear off if given the opportunity.

-Ali Gideon

FROM THE DESK OF...

THE ANIME TWIN CITIES PRESIDENT

20 years!

What a road it has been to bring us all together for Anime Detour 2023: Detour to the Dark Side. We started out as a small handful of friends expecting to put on an event for a few hundred people and bringing in over 1000. Slowly we grew to more than just Anime Detour. A Social Outreach Services team that held awesome events such as the Cosplay Picnic and our Akihabara Swap Meet. A Charitable Giving team donating over \$30,000 to local organizations like the St. Paul Public Library, local schools, the St. Paul Nagasaki sister city, AUSM, and over 20 other amazing local organizations. Community events held with some of our great partners such as the March of Dimes, the Como Zoo's Obon festival and cherry tree festivals, educational events at local schools. And of course still Anime Detour! 6 hotels, 3 cities, and now over 7,000 amazing members joined us last year for our 19th year, making it one of the largest and longest running events of its kind. These are just some of the amazing things we have been able to do in the community. While COVID may have unexpectedly set us back, we are striving toward a quick comeback.

These things are all made possible by you, our amazing community. When you buy your membership to attend Anime Detour, \$15 of that goes towards the operating expenses of the parent organization Anime Twin Cities, inc. where we work to bring in new and awesome opportunities throughout the year whenever we can. Our mission as a 501c3 nonprofit is to conduct educational, charitable, and social activities through the promotion and education of Japanese culture. We look forward to a great future with you all.

If you have any questions or just would like more information, please feel free to email us at atcboard@animetwincities.org or reach out on any of our social media pages.

12. **BADGES MUST BE VISIBLE AT ALL TIMES:** Anyone without a badge in the convention area will be asked to leave, and may ultimately be escorted out of the hotel by either Safety staff or hotel security. Registration is important; it ensures that we are able to stage the convention and helps ensure a fun and safe environment for everyone.
13. **PLEASE RESPECT ALL VOLUNTEER BADGERS ASKING TO SEE YOUR BADGE:** Badgers are volunteers helping to make the convention better.
14. **IF YOU SEE SOMETHING, SAY SOMETHING:** If you observe another convention attendee breaking the rules and/or creating a disturbance, please report it to Safety staff. They will be the people in bright colored safety vests walking around the convention, or you can go to Safety, located in the Hiawatha room, to report the incident.
15. **EMERGENCIES:** In the event of a medical, fire, natural, or any other emergency, please get yourself to a safe space and contact convention or hotel staff for assistance, or dial 911. Safety staff can also be found in Safety, located in the Hiawatha room next to Vitali's.

HOTEL POLICIES

Please respect the hotel. They've been kind enough to host us this weekend. If you need something from the hotel, please contact the front desk by dialing "0" from your room phone. If you have a problem or need help with a hotel room issue, go to Safety, located in the Hiawatha room next to Vitali's, and tell them you need the Reservations department. MASS TRANSIT OPTIONS: Metro Transit offers a free shuttle service between the Convention Center and the METRO Blue and Green lines on 5th Street. Look for buses marked "Free Ride" and pay no fare when boarding along Nicollet Mall. Metro Transit also has an extensive network of bus routes that access the area. Please visit metrotransit.org for more details.

WEAPON POLICIES

COSPLAY GUNS: Guns used as part of a costume must be clear facsimiles and kept holstered or at your side when you are not posing for pictures. All cosplay guns must have their tip clearly marked in safety orange. Triggers must be tied or peace-bound at all times. For peace-binding questions and materials, please go to Safety, located in the Hiawatha room.

PROJECTILES: Anime Detour bans firearms and other projectile weapons on the premises. Projectiles include, but are not limited to: bullets, pellets, water, lasers, and paintballs. If it has a firing mechanism, it is not allowed (Bows are allowed, as long as you have NO arrows or similar ammunition). Projectile weapons that have had their firing mechanism altered/removed will be decided on a case-by-case basis. Please go to Safety, located in the Hiawatha room to have your item looked at and/or peace-bound.

WORDS AND OTHER FACSIMILES: Live steel needs to be kept in the sheath (or scabbard) and peace-bound at all times. No fighting! This includes sparring and play-fighting. Items that are confiscated by Safety might not be returned to you! Use common sense; respect your fellow attendees. Please go to Safety, located in the Hiawatha room to have your item looked at and/or peace-bound.

ACCESSIBILITY POLICIES

Anime Detour aims to make the convention an enjoyable experience for all. The following are a list of guidelines and expectations found within the Anime Detour Accessibility Department.

Quiet Room: There is a quiet room available to attendees. This is a good place to collect your thoughts and regroup from sensory overload. There will be various sensory items in the room. Keep the noise level down outside the room. This room is sponsored by the Autistic Society of Minnesota (AUSM).

Animals: While we all love our animals, the convention space during Anime Detour is a no-pet zone. Service Dogs, however, are allowed in all convention spaces.

As stated in the ADA (Americans with Disabilities Act), a service animal is a dog that has been individually trained to do work or perform tasks for an individual with a disability. The task(s) performed by the dog must be directly related to the person's disability.

Emotional Support Animals (ESA) are not covered under the ADA.

Restrooms: There are accessible restrooms throughout the hotel. While we will not be policing the restrooms, we do ask that attendees only use the stalls that meet their needs and leave the accessible stalls to those who need its accessible features.

If you're curious about how Detour is run, want to give back, or you just find yourself with a few free hours and nothing to do, come and talk to us. Just because you may have a flair for villainy this year, doesn't mean you can't reap some rewards - cough cough - we're not opposed to bribing you with prizes (^-^).

As an added bonus, our staff is more than happy to help answer any questions you may have.

Please remember, check-in is five minutes before any shifts you sign up for, or you will lose the shift to someone else. Also, final prize redemption will be from 4-5pm Sunday with the raffle drawing starting at 4:30pm. Thank you for your consideration.

GUESTS OF HONOR

AUSTIN TINDLE is an American actor. His birth was foretold by a swallow, in a remote location in Orlando, Florida. At the moment he burst forth from the womb a new star formed and illuminated the sky, the seasons suddenly changed from winter to spring, and a double rainbow appeared. At three weeks old he had learned to walk and by eight weeks he was talking. His voice over career began soon after.

He was raised in Austin, TX, which was retroactively named after him. CHAOS COSTUMES Blair Ondrla is the creative force behind Chaos Costumes.

She started creating ever since she was capable of walking, starting out with Beanie Baby costumes out of duct tape and can lid armor, to hand sewing her own costumes as a young girl, costumes have been an important aspect of her life as far as she can remember. As she grew up, she took to the cosplay community where she finally felt at home. Occasionally competing and building a portfolio of award-winning costumes.

When Blair first opened up her Etsy, she had quite a variety of products from wooden digitigrade stilts, to leather armor and accessories, to jewelry. At one point a German cosplayer commissioned her for the first ever hooves and fur pants; little did she know this would be a turning point in her life, setting the stage for a new life path.

More and more orders started to trickle in, and over the years hooves pushed out the armor, the jewelry and finally the stilts. With a lot of luck, skill and help from a revolving door of helpful people, she sustained a business out of hooves of all things.

Fast forward to today, where she employs a small team of people to help keep the dream alive. Now, branching out into digital sculpture and 3D printing, bringing a world of joy, fantasy and imagination to even more people. We are so grateful for your support and generosity. It helps the lives of our team and their families, propagating the dream even bigger than anyone could have imagined!

World9 Gaming is providing casual game setups and rentals all weekend!

Our 2 Arcade vendors are **Snow Phoenix** and **Event Arcade Rentals**.

Tournaments hosted and run by **Black Sheep Gaming**, **DravusEsports** and a **third, surprise organizer!** These are all popular MN based organizers local to the Metro!

Games will be listed with the console they will be played on as well as rough Start and End times. Tournaments are **BYOC (Bring Your Own Controller)** with limited rentals available via World9 and Black Sheep Gaming.

Arcade tournaments will be on the respective Arcade machine.

Registration links will be posted online when available and limited in-person registration prior to the start times of the events up to the discretion of the Tournament Organizer.

Note: Times are subject to change due to number of entrants, overall match pacing, and stage availability. (For example: A tournament going later than expected due to longer matches and more players).

VIDEO GAME ROOM RULES

1. **Take care of your own stuff.** As cool as your stuff is, we are too busy entertaining everyone to admire it (except in brief spurts). Plus, we are all gamers with short attention spans! So please keep an eye on your stuff as we can't be responsible for it. Thanks.

2. **Take care of others' stuff.** All games and consoles are on loan from staff and attendees. If you break their stuff, they won't want to bring it back. We want them to bring it back. Please be nice to the stuff that is not yours. (Plus, be nice to the staff and other attendees. We want them back too!)

3. **Clean up after yourself.** If you set up a table a certain way, bring gaming materials, or rearrange anything, please put it back the way it was when you arrived once you're done.

4. **Food and Beverages** - Please refrain from setting beverages and food items on any arcade machines or gaming spaces. If consuming alcohol, please drink responsibly. These items may be consumed in the designated spaces in the room.

5. **Please no adult language during the hours of 7:00am - 10:00pm.**

6. **Parental supervision required for children under 13** in Video Gaming at all times. After 10:00pm Video Gaming will be 18+. ID and badge will be checked upon entry.
